Short description of the company	The institution, which strives "to promote and exercise study, scientific and humanistic research, develop peoples professional skills and, overall, progress socially, culturally and economically", is based on the principles of "freedom, justice, equality, solidarity and plurality found in open societies". It is a new model of a private university as far as its method of management and administration is concerned. However, it also maintains a clear vocation towards public service and a responsibility to its surroundings; with an optimum dimension for educational efficiency; an international vision and focus on the practical training with an objective to provide students with a professional outlook.

PLACEMENT INFORMATION	
Department, Function	The Internationalisation Unit is a decentralised department in the Faculty of Education, Translation and Humanities within the University of Vic. The main goal of this department is to provide support to the University community in terms of Internationalisation. We work with a great variety of programs including, but not limited to: study abroad programs, placement abroad programs, programs of short length, research groups, staff

	<p>mobility, and teaching mobility. In addition, we help with the internationalisation of the curriculum and promotion of the faculty's international activities.</p> <p>The placement student will help develop international relations and coordinate the activities of the Faculty of Education, Translation and Humanities. This involves support and feedback to the University management on international issues and developing the international agreements for the University. He/She will be responsible for the development of various tasks related to social media, relaying of information, communication, organisation and cooperation between the students and Internalisation Unit within the Faculty Education, Translation and Human Sciences.</p> <p>The placement student will play a key role in pushing forward with various initiatives as well as supporting the ongoing work in the development of policies and strategies to engage various institutions, multilateral organisations, and other key internationally based stakeholders.</p>
Location	Vic, Spain
Start Date	October
Duration	from 3 month to a full academic year
Working hours per week	25
Description of activities,tasks	<p>Key tasks include, but are not limited to:</p> <ul style="list-style-type: none"> • Manage strategic inward and outward international visits. • Manage international events and projects • Create strategic international partnerships. • Manage a range of European partnerships and networks. • Support key global connections, working closely with partner organisations. • Develop content of existing agreements. • Investigate new agreements that would be beneficial to the University. • Initiate and carry out negotiations over new agreements. • Encourage participation in the University's own agreements, as well as students and researchers involvement in EU programs. • Provide information to the staff and students regarding: the possibility of participating in exchange agreements, the initiatives of the national government, the EU in international relations on higher education, etc. • Ensure an efficient follow-up and quality assurance of the exchange programs. • Arrange meetings, seminars, etc. related to international affairs and receive delegations from the University.
