

amLS, am Language Studio, offers you the possibility to participate in an exciting work placement in Malta! Gain practical experience, improve your English, as well as discover the beauty of Malta and all it has to offer at the same moment that you will be able to meet a lot of new people around the world to share your experience.

Do you know what a Work Placement is?

Internships provide real world experience to those looking to explore or gain the relevant knowledge and skills required to enter into or to develop a particular career field. The primary focus is on getting some on the job training and taking what's learned and applying it to the real world.

Remember! An internship isn't just any temporary job. It can be a bridge to your life's work or an experiment in a career that interests you!

Which could be your best choice?

The way you go about your search for intern jobs may depend somewhat on your current situation.

If you're early in your time at school, you might be open to exploring a whole range of different intern jobs to help you determine your ultimate career path – or even your major.

If you have already decided on your career, you might have a very specific goal for your internship: to discover opportunities for post-graduation jobs in the industry you want to join.

When you're a more experienced jobs seeker, perhaps switching careers or industries, you likely have a clear idea of the jobs you're looking for. Whether you're seeking full- or part-time intern jobs, too, will likely be a result of your current situation.

No matter what your specific requirements for internship jobs are, you're certain to find opportunities for jobs that suit you.

When could you do your Work Placement?

Malta is not an exception and like in every country you can do your internship whenever you prefer: spring, summer, autumn or winter. This Island can offer you many opportunities during whole year in many different fields. You only have to decide when!
